ABOUT F&S;

F&S; General Supplier Co. Ltd is a Zanzibar-based supply company supporting hotels, resorts, contractors, government institutions, commercial buildings and industrial clients. We combine a well-stocked local warehouse with reliable international procurement channels, helping customers source both everyday maintenance items and specialized technical products.

Our supply portfolio covers sanitary ware, plumbing, electrical materials, HVAC and refrigeration, hardware, fasteners, commercial kitchen and laundry spare parts, golf cart batteries, tyres and spare parts, industrial maintenance products and general building materials.

We focus on genuine products, competitive pricing, responsive quotations and dependable delivery. Our business is built around long-term relationships and practical support for procurement and maintenance teams.
